### POSTERS

**NEW 4E GS ROPS SERIES**

**76-102 HP**

**WELCOME TO THE NEW 4E GS SERIES.**  
The new 4E GS ROPS is the ideal tractor for smaller farms and operations, local authorities and horticultural businesses.

With a choice of three different models with power outputs from 76 HP to 102 HP all paired with a Wet Clutch Powershuttle, this range is the perfect utility tractor for a range of different applications.

**Safety**  
Wet disc brakes, a sturdy ROPS or Cab, and a secure seatbelt keep you safe. Headlights, safety lights, and a rear view mirror help you see attachments and drawbars clearly, even in low light conditions.

- 76-102 HP
- Wet Clutch Powershuttle
- Comfort Clutch with Stop and Go Function
- 4 Wheel Braking
- FOPS Falling Object Protection

**DEUTZ-FAHR** 1800 789 633 @ www.plgusastralia.com.au/deutz-fahr

**New Agrofarm 5 Series**

**97-126 HP**

**The all-rounder utility tractor.**  
Welcome to the world of the new Agrofarm 5 Series, an outstanding range of tractors that embrace versatility, modularity, design and an enviable good value for money ratio within the utility mid-segment.

The tractors in the Agrofarm 5 Series are designed to offer maximum flexibility while ensuring reliable and innovative performance.

Agility is one of the distinctive features of these tractors, thanks to a remarkable steering angle and cutting-edge solutions.

- 97 - 126 hp
- Wet Clutch Powershuttle
- 4 Cyl/3849cc Turbocharged Intercooled
- 20/20 Forward/Reverse Gears
- 4 Post Air Conditioned Cab
- Open Centre Hydraulic System

# PFG AUSTRALIA CO-OP ADVERTISING POLICY

## How the Co-Op Program Works

Our Co-operative Advertising Program is designed to help you advertise in your local market with confidence and support. Whether it's print, radio, TV, or direct mail, we're here to share the load.

### 1. Plan Your Campaign

Decide on the advertising format that works best for your market—radio, TV, print, direct mail, or online.

### 2. Speak with Your Area Manager

They'll help align your campaign with our guidelines and assist with the application and approval process.

### 3. Cost Sharing

PFG will contribute 50% of the total approved campaign cost.  
Example: If your ad costs \$1,000, we'll reimburse \$500.

### 4. Run the Campaign & Claim Your Reimbursement

Once your campaign is complete, send us the required documents to claim your co-op funds.

## What's Covered?

We support a wide range of traditional local advertising, including:

- Local radio and TV advertising
- Newspaper and magazine placements
- Direct mail campaigns

Note: Sponsorships, signage, and event branding are not eligible.  
Ad production costs are not reimbursable, but we offer free creative support for print ads.

## Getting Pre-Approval

Before launching any campaign, approval is required from both your Area Manager and the PFG Marketing Team.

- Please allow at least 48 hours for review.
- Campaigns that launch without pre-approval won't be reimbursed.

## Eligibility Checklist

To qualify for co-op reimbursement, your advertising must:

- Promote PFG Australia products only.
- Include your dealership name, contact details, and website.
- Follow PFG brand guidelines (logos, fonts, colours)
- Comply with Australian Consumer Law

## Claiming Your Reimbursement

Once your campaign has run, send the following within 14 days of month-end:

- Vendor invoice for the advertising spend.
- Completed and signed pre-approval form.
- A copy of the final advertisement (digital or physical)
- Your invoice to PFG Australia for the 50% reimbursement

Email all documentation to: [accountsreceivable@pfgaustralia.com.au](mailto:accountsreceivable@pfgaustralia.com.au)

## We're Here to Help

Your Area Manager is your first point of contact for campaign planning and approvals. For creative support or questions about the process, contact our Marketing Team:

- Sophia Lathouras – National Dealer Network & Marketing Manager
- Olivia Wells – Marketing Supervisor
- Daniel Vassallo – Marketing Supervisor
- Sophie Hall – Marketing Specialist

## Tips for Success

- Only use official brand logos and assets
- Advertising must be focused solely on PFG-branded products.
- Always get pre-approval before your campaign launches
- Late or non-compliant claims can't be reimbursed.

# TVC PRODUCTION

Throughout the year, PFG will produce a number of 15 & 30 second tvc's as part of the corporate advertising campaign.

The majority of the Deutz-Fahr television media spend is using 30 second ads, although on limited occasions we may also run 15 second tvc's as well.

The Deutz-Fahr media spend is exclusively to promote the brand, our products, current marketing campaigns and to drive inquiry to the dealer network.

All corporate ads will be tagged with Deutz-Fahr.

We do not provide dealer tagging of our Deutz-Fahr corporate television advertising. Should a dealer wish to use any of our television ads for your own local marketing campaigns, you can request that your dealership name be tagged onto the end of our ads. This may not be possible on every advertisement. Deutz-fahr will cover the costs of these dealer tags as long as it is supported by an approved papo and television spend by the dealer.

To arrange to have any Deutz-Fahr ads tagged with your dealership name/logo, you must have a current approved co-op program (papo) in place and approved by your rep . In addition to the above tagging possibilities of current Deutz-Fahr ads, dealers are also able to access the use of Deutz-Fahr television production supplier should you wish to create your own, exclusively Deutz-Fahr television ads. Please note that unique television commercials are at a cost to the dealer and cannot be claimed as part of Co-Op.

The process here is to email lauren clifford at creswick creative with a basic outline of what you wish to have produced and lauren will provide you with a cost estimate.

Please copy your area manager to this request.

Creswick creative contact details

**LAUREN CLIFFORD**

CC: YOUR AREA MANAGER

## SUMMARY

The above facilities are only available to dealers that have a pre approved Co-Op marketing spend in place approved by your Area manager.
