THE AUSSIE EXPERIENCE

MAVERICK HD

MADE IN USA
USA
MADE IN USA

“I’ve never had a mower this solid and comfortable. The suspension seat makes mowing over uneven ground so easy, you’re not getting thrown around one bit on the seat.”

- IAN, NSW

MEET THE MAVERICK HD

“I’ve never had a mower this solid and comfortable. The suspension seat makes mowing over uneven ground so easy, you’re not getting thrown around one bit on the seat. The Maverick HD is built to last and makes mowing fun, it definitely doesn’t feel like a chore!

ZT AVENGER

“ I’m about two months into owning the ZT Avenger 54” after moving onto 2.5 acres and it’s a good thing. ”
- JAMES, W.A.

MEET THE ZT AVENGER

“I’m about two months into owning the ZT Avenger 54” after moving onto 2.5 acres and it’s a good thing. The overall build quality stands out the most, everything has been great with it so far. We’re very happy with it.”

- JAMES, W.A.

Suspension That Saves Your Body

The full front and rear independent suspension on the Maverick HD absorbs bumps that most mowers transfer straight to the operator.

Each wheel moves independently, keeping the deck level and reducing vibration.

Paired with a dial-by-weight suspension seat, you get a customised ride that cuts fatigue and keeps you precise all day.

“Mow Like a Pro.”

You don't need a massive mower to get commercial results.

The Revolt delivers a clean cut, smooth ride, and agile handling in every turn - proving big performance comes in compact packages.

Powered by Kawasaki engines, available with 36" or 48" decks, and starting from \$19,346 INC GST.

See why stand-on zero-turn mowers are taking off in the USA:

What Makes The Rebel A True Commercial Mower?

The Rebel is built from the ground up for landscape professionals.

Its 3-gauge welded steel deck is thick enough to stand on – seriously. That kind of rigidity keeps your spindle alignment true, even after years of daily use.

It's not a comfort feature. It's a durability promise – for owners who run mowers, not polish them.
